Introduction This is not the final chapter to be written on the subject of speaking in tongues. Men (and women) will be having their say until our Lord returns to settle this matter once and for all time. It is difficult to say how, when and where the modern tongues movement began. In the many pamphlets and books I have examined opinions differ.

A first language, native language, or mother/father/parent tongue (also known as arterial language or L1) is a language that a person has been exposed to from birth or within the critical period. In some countries, the term native language or mother tongue refers to the language of one's ethnic group rather than one's first language. Children brought up speaking more than one language can have ...

The tongue is a muscular organ in the mouth of most vertebrates that manipulates food for mastication, and is used in the act of swallowing. It is of importance in the digestive system and is the primary organ of taste in the gustatory system. The tongue's upper surface (dorsum) is covered by taste buds housed in numerous lingual papillae. It is sensitive and kept moist by saliva, and is richly ...
