

a guide to artificial pdf

This guide offers a comprehensive view of how artificial intelligence can be used for improving medicine and healthcare; while also clears up misconceptions about A.I. and its consequences. An easy read with a lot of practical examples and real-life stories about companies in the forefront of innovation.

A Guide to Artificial Intelligence by Bertalan Mesko [PDF - Leanpub

Type in the word artificial, and several suggestions for the next word will appear, perhaps intelligence, selection, and insemination. No one has programmed it to seek those complements. Google chose the strategy of looking for the three words most frequently typed after artificial. With huge amounts of data available, machine learning can provide uncanny accuracy about patterns of behavior.
