To be a good role player, one must simply play the role they are assigned. In most cases the role assigned is a tactical role familiar to those

Design and Delivery of Tactical Decision Games

"Tactical role-playing game" is probably my favorite game genre. It takes all of the attributes of RPGs that I like while omitting the parts that I dislike. I love the ability to customize and modify the attributes of characters and trek through the game with a party that is uniquely mine, watching these characters grow and evolve over time.

Are there any good tactical role-playing games for PC? " r

These are the best tactical role-playing games of all time for any console or system, including cover art pictures when available. These highly rated tactical RPGs are ordered by popularity, so only the greatest tactical role-playing games are at the top of the list.

The Best Tactical Role-Playing Games of All Time - Ranker
