Demonology and Witchcraft - IAPSOP

The Encyclopedia of Demons and Demonology Whatever the guises, names, and agendas, demonic forces are constantly at play in the world. Thanks to the exaggerations of film and fiction, many Christians think, for example, that demonic attacks occur in the form of hideous beings assaulting people, possessing them, and making green slime run down walls and stairs.

gods of the official pantheon. As a matter of fact, the ancient Egyptian demons possess supernatural powers like the gods, but, in general, they have rather specific tasks and often their action is the consequence of the gods's will.³ In the particular case of the guardian-demons, their sphere of action is limited to the place they watch over.
