A fifth column is any group of people who undermine a larger group from within, usually in favour of an enemy group or nation. The activities of a fifth column can be overt or clandestine. Forces gathered in secret can mobilize openly to assist an external attack. This term is also extended to organised actions by military personnel.

When the California â€œhigh speedâ€• rail was approved, I was quite disappointed, as I know many others were too. How could it be that the home of Silicon Valley and JPL â€œ doing incredible things like indexing all the worldâ€™s knowledge and putting rovers on Mars â€œ would build a bullet train that is both one of the most expensive per mile and one of the slowest in the world?
